Summary

I am a Sound Major with five years of experience on independent and commercial films. I am an Independent contractor for Virgin Media in Production and Live Sound and also double as a Floor manager for the daily programmes. I have experience in training up new members to studio work and Independent productions. I am well versed in Sound production and Sound Design with my own studio where I have commissioned multiple commercial productions that needed Post work, Foley and Scoring. I am a quick and efficient worker with a concise turn around for productions and a responsive communicator.
